Monroe Freedman  
Dean of the Law School  
Hofstra University  
Hempstead, New York 11550

Dear Monroe:

Attached is a copy of the remarks you presented at the Committee on Professional Ethics' program in Dallas. Except for one or two places, I have not done any editing - believe me, it took all my will power to leave the copy unmarked!

When I receive the copy from you, we'll talk further. In the meantime, thanks for your continuing interest.

Cordially,

Krug
Staff Liaison  
ALA Committee on Professional Ethics
