PRESIDENT
Good Luck,  
Class of 1979  
We're With You When It Counts . . .  

Crossing The Bar

Sunset and evening star,  
And one clear call for me!  
And may there be no foaming of the bar,  
When I put out to sea;

But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew out the boundless deep  
Turns again home.

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;

For tho’ from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.
