ANNE VILLARDI
Cataloging
Since so much of the study of law depends upon the spoken word, a remem-
brance of our faculty in pictures alone would be incomplete. Collected here are
some of the words we may remember as we look back on the years spent at Hofstra
Law.

FIRST YEAR
“I’ve got a problem with this case . . .”
—Aaron Twerski, Torts
“How right you are . . .”
—Ronald Silverman, Property
“Maybe yes, maybe no . . .”
or “Let’s say you have a plaintiff in Kansas . . .”
“You are the best class I’ve ever had.”
—Monroe Freeman, Contracts
“Three words . . . expectation, reliance, restitution . . .”
—Malachy Mahon, Contracts
“When I was a lawyer in the Nicky Barnes case . . .”
—Lawrence Kessler, Criminal Law
“Does anyone in this class play tennis?”
—Alan Resnick, Contracts
“So what?”

SECOND YEAR
“I warn you, I’m a mean bastard.”
“So, what do you do? Sue the bastard!”
—Abraham Ordover, Evidence
“All right. Let’s get started . . .”
—Leon Friedman, Con. Law
“The Code is not a model of lucidity.”
—Daniel Posin, Individual Income Tax
“You pays your money, and you takes your chance.”
—Eric Schmertz, Labor Law

”Why?”
—Linda Champlin, Con. Law

THIRD YEAR
“Professor Twerski would disagree, but . . .”
—Stuart Rabinowitz, Conflicts of Laws
“Five days from now, you will try your first case.”
—Abraham Ordover, Trial Techniques
“It has to pass the red face test . . .”
—Patricia Adamski, Bus. Org.
“Either it is or it isn’t.”
—Malachy Mahon, Remedies
