ACTEC is a professional organization of approximately 2,500 lawyers from throughout the United States. Fellows of ACTEC are elected to membership by their peers on the basis of professional reputation and ability in the fields of trusts and estates and on the basis of having made substantial contributions to those fields through lecturing, writing, teaching and bar activities. Fellows of ACTEC have extensive experience in providing advice to taxpayers on matters of personal income tax, transfer tax and retirement plan rules and providing advice to IRA and retirement plan administrators on plan administration. ACTEC offers technical comments about the law and its effective administration but does not take positions on matters of policy or political objectives.

Membership in ACTEC is by election of the Regents of the College. Individual lawyers and law professors who meet the membership criteria are nominated by fellows of ACTEC, and subject to careful review by state and national membership selection committees, prior to consideration by the Regents of the College.
