Search by topic of law?

WESTLAW DOES. LEXIS DOESN'T.

Wills, Damages, Commerce, Bonds, Pleading, Bail—words with multiple meanings can be tough to use if your computer-assisted legal research system doesn't recognize the legal meaning you intend for them.

WESTLAW lets you eliminate the non-relevant meanings of a term when you

search by topic of law. The result: you get only the cases you want.

Only WESTLAW lets you use words representing legal topics as search terms. **No wonder the switch is on** from Lexis to WESTLAW.

Let us tell you the many more reasons why WESTLAW sets the standard in computer legal research. Contact your West Sales Representative or call Karen Holcomb, collect, at 612/228-2506. West Publishing Company, 50 W. Kellogg Blvd., P.O. Box 3526, St. Paul, MN 55165.
