Now available for a 30 day, riskfree examination is your key to the planning and administration of the farm estate... ESTATE PLANNING FOR FARMERS AND RANCHERS.

In one, comprehensive volume, are the specialized tools, the will clauses, forms and expert guidance you need for quick, accurate solutions to the unique problems associated with the farm estate... solutions to problems of substantial "paper" wealth, illiquidity, poor cash flow, and, of course, how to retain the farm property in family hands for future years.

These problems point to the importance of tax planning. And, the authors, Donald Kelley and David Ludtke provide you with a level of tax expertise that's unmatched anywhere... skills in corporate and partnership taxation, qualified employee benefit plans, property dispositions, and income taxation of estates and trusts, as well as basic estate and gift taxation.
