INSURANCE CLAIMS & DISPUTES:
Representation of Insurance Companies & Insureds
By Allan Windt

Written for insurance law specialists, general practitioners who occasionally handle insurance claims and for insurance company claims personnel—this text is clearly organized and exhaustively researched.

INSURANCE CLAIMS AND DISPUTES: REPRESENTATION OF INSURANCE COMPANIES AND INSUREDS is valuable for attorneys and insurance companies as claims are handled and litigation strategies are formulated. It offers comprehensive guidance in determining the rights, obligations and potential liabilities of insurers and insureds once a claim is filed pursuant to any type of insurance policy.

Most other insurance law texts were written in the 1960's. As a result, they fail to adequately cover developments such as a insurer’s duty to defend and the effect on that duty of a conflict of interest between the company and its insureds.

Author Windt explores this issue in full, along with other such as extra-contractual liability and the insurer’s duty to settle... the existence of coverage despite policy language to the contrary... awards of attorney’s fees... and more.
